Pre-School Curriculum

We are very proud of our Pre-School curriculum as it offers children the opportunity to learn through topics and themes. This is achieved through a balance of adult-led provision and well-planned continuous provision where children can choose where and how they play. Learning through topics allows the children to fully immerse and engage, develop their knowledge and understanding as well as develop new vocabulary through well-chosen key texts. Our curriculum has been designed to ensure there is progression across all the EYFS 7 areas of learning to support children to be School ready by the time they leave us at the end of the Pre-School year. Each half-term you will receive a copy of our half-termly curriculum map.

I wonder what makes me special.	I wonder what we celebrate?	I wonder how it will be different?	I wonder what we will see?	I wonder how things grow and change?	I wonder who will help us?

Assessment and Parent Involvement

The children are assessed in line with the whole school assessment policy. Children are assessed at regular intervals throughout the year to monitor children who are making progress and plan for children who require additional support.

We invite Parents in for Parents Evenings in line with the whole school and offer regular updates of what we are doing in pre-school. We are also delighted to invite you in on a termly basis to our stay and play sessions which are communicated through SeeSaw.

At the end of the Pre-School year, children and their families are invited to our Graduation. They will also receive an end of year report to celebrate their successes during their time with us.

Milk Scheme

Cool Milk provide Free Milk to all children under 5. If you would like your child to receive free milk whilst at our Pre-School please register here:

Uniform

Our uniform plays a very important part in giving our school its identity. It helps to develop loyalty and pride in belonging to Cutnall Green C of E Primary and Pre-school. Please support us by ensuring that children come to school in the correct uniform. All uniform and book bags can be purchased online from ACE Clothing LTD. We do have sizes in school, should you need to try some on.

We regularly hold pre-loved sales so do ask staff about this as you may be able to buy some pre-loved uniform.

All belongings should be clearly labelled.

Hair Accessories and Styles

Hair should be neat and tidy and not an extreme style. Long hair should be tied up for safety reasons. Plain blue or yellow hairbands and bobbles should be worn to school. Large bows and colourful hairbands are not suitable. Hair colourants are not allowed unless special permission is given i.e. for fund raising events.
